

Xth INTERNATIONAL SYMPOSIUM ON IRRIGATION OF HORTICULTURAL CROPS

SOUTH AFRICA 2023

We are excited to announce a very stimulating 4 day program for the Xth International Symposium on the Irrigation of Horticultural Crops. Keynote speakers include **Prof Elias Fereres** from Spain, **Dr Samuel Ortega-Farias** from Chile and **Prof. Sylvester Mpandeli** from South Africa. Please visit the website to view the session Topics <https://ishsirrigationsa2023.com/programme/>

SCIENTIFIC PROGRAMME

The programme at a glance is available on the website at <https://ishsirrigationsa2023.com/>
 Due to the number of abstracts submitted and a request to include more discussion time for each talk, we have included parallel sessions in the programme.

EXCURSION – TUESDAY, 31 JANUARY 2023

On Tuesday will be going on an excursion to farms in the region with innovative irrigation practices. This day promises to give you a great introduction to the South African fruit and wine industries, our irrigation practices and the natural beauty of our country.

EXCITING TECHNICAL DAY – THURSDAY, 2 FEBRUARY 2023

The last day will focus on the technical side of irrigation and will be concluded with a panel discussion entitled “Theory into practice – are we on the right track?” which will consist of leading scientists and local irrigation practitioners.

SOCIAL PROGRAMME

We also have an exciting social programme with an opening cocktail evening, a social cultural event in the garden at the symposium venue, and a Gala Dinner at the famous Spier Wine Estate.

URGENT REMINDER TO PRESENTING AUTHORS TO REGISTER NO LATER THAN 15 NOVEMBER

If authors have not registered by 15 November they will be removed from the programme. Due to the late notification of abstract acceptance, the deadline for full paper submission has been extended to 16 December 2022.

BOOK YOUR ACCOMMODATION NOW

January is a busy time in Stellenbosch due to high tourist numbers, and students returning to Stellenbosch University. We therefore encourage you to book accommodation as soon as possible. Visit our website <https://ishsirrigationsa2023.com/accommodation/> for accommodation options that are within walking distance to the symposium venue.

Various links to practical information for delegates requiring Visas for South Africa is also available on the website.
